

TORHISAN 1946

The image shows the front cover of a book. The cover is a dark blue color with a fine, wavy, textured pattern. In the center, there is a horizontal rectangular label with a double-lined border. Inside this label, the text "TORHISAN 1946" is printed in a bold, serif, all-caps font. Above and below the central label are decorative horizontal borders. Each border consists of a series of stylized, overlapping, leaf-like or scroll-like shapes that create a sense of movement and depth. The overall design is classic and elegant.

John Steel Jr.

Anyone who dares to make a guess about the future of television is sticking his neck out . . . But even television cannot transmit life in Toronto High School . . . The staff of the TORHISAN attempts to show how the school prepares youth to meet the future . . . A tomorrow as new and unpredictable as the future of television.

If you are pleased with the efforts, the work of the staff has not been in vain.

Dedication

To Miss Mary T. Gill, friend,
teacher, librarian in Toronto High
School for 20 years, this book is
fondly dedicated.

Juniors, new to the boards, demonstrated dramatic ability in "It's All in Your Head," presented on January 7. The assembly on March 8 brought to light more hidden talent through its circus theme. The year ended with the Junior-Senior Prom at which everyone had a good time. Thus the Juniors painted the school scenery for a successful Senior year, and lay the early foundations to make them worthy citizens of any community.

Scholarship

The end of the war, release of vital materials, brought meaning to the familiar words "Going to Kent" to try to win scholarship awards. A large group participated in elimination tests given in the school library, and the winners of those high scores went on to Alliance to compete with stronger opposition.

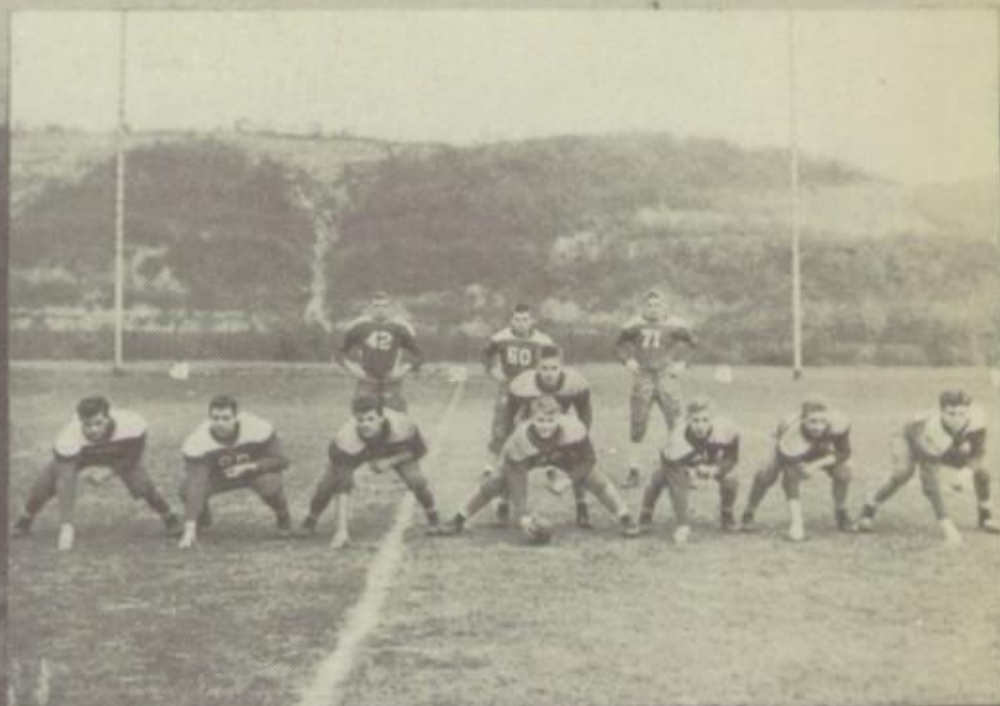

Other Scholarship Tests taken through the year included the Senior tests given at Steubenville, the Pepsi-Cola, and National Honor Society tests.

The good showing made in all these tests shows that Toronto has worthy citizens to contribute to the world of tomorrow.
